

QUALITY POLICY STATEMENT

QRS Market Research is committed to providing quality research and data collection services via our committed team, extensive experience and rigorous procedures.

Our longevity and reputation have been borne from our reliability to complete every project that we undertake to the highest standards.

QUALITY MANAGEMENT SYSTEM

We are continually looking to maintain, improve and implement our quality management system to maximise our services in accordance with all regulatory and legislative requirements and in accordance with ISO 9001: 2015 and ISO 20252: 2012.
